According to incident report number 2021-20188196, the Spokane Police Department was attempting to locate the offender due to his outstanding state and federal warrants. Through discussions with several individuals, it was learned that Mr. Tittman had been observed riding through the Hillyard area on a stolen green ATV. It was also alleged that he was armed with at least two handguns.

On November 1, 2021, a green ATV was observed in front of a “flop house” that Mr. Tittman was known to frequent. Thereafter, surveillance was performed on the residence and officers stopped a vehicle that was observed leaving the residence. The occupants of the vehicle were questioned by law enforcement and they confirmed the offender was inside the residence. They also indicated Mr. Tittman had been seen with a firearm.

Additional officers arrived on the scene, at which time emergency lights were activated and verbal announcements were made to inform the offender of law enforcement presence. It was also announced that Mr. Tittman was under arrest due to his outstanding warrants. Officers observed movement within the residence and Mr. Tittman was seen looking out the window; however, he refused to exit the home. Following more announcements by law enforcement, two individuals left the home and confirmed that Mr. Tittman was inside the home and was armed with a handgun.

After approximately 1 hour, Mr. Tittman began yelling out to the officers and a hostage negotiation team arrived on the scene. Contact was made with the offender via telephone and while he told officers he would exit the residence, he failed to do so. He eventually exited the residence without incident and was taken into custody.

Officers located a loaded black handgun in the basement, which had been reported stolen. Additionally, a second handgun was discovered in a backpack that was said to be the offender's. Mr. Tittman was thereafter arrested and taken into custody.

On April 25, 2022, the offender pled guilty in Spokane County Superior Court, case number 21-1-02676-32, to first degree unlawful possession of a firearm and was sentenced to imprisonment for a period of 101.5 months.

The U.S. Probation Office respectfully recommends the Court accept the revised petition.

I declare under penalty of perjury that the foregoing is true and correct.
